✓ "MARY QUEEN OF TOTS"

By Hal E. Roach. ✓

JUN 11 1925 ✓

Little Mary is a poor little rich girl who is neglected by her mother and governess. The gardener gives her a set of dolls that have been made from living models. She falls asleep and dreams that they all come to life and dance around her room. The governess throws the dolls in the ash can. Mary wakes up and rushes out looking for her dolls. She comes across the gang of kids who posed for the dolls. She takes them in and after many exciting experiences, the governess comes back, but a cop takes her off, thinking she has gone crazy.
